### **TO LEARNSHARE OFFICE and PARKING:**

After turning left on Summit Street you will go through four traffic lights. The LearnShare office is located in One SeaGate (tall glass building) to the right at the fifth traffic light.

**To Park:** You will turn left at the fifth traffic light (Jackson Street) and then turn right on Superior Street (second traffic light). Turn right at the first light on Superior into the Vistula parking garage. Park in the short term parking to the right as you enter the garage.

**To reach our office:** Take the elevator or the steps down to the 'S' level of the garage and walk to the left as you exit (either the elevator or the steps). You will go through two sets of glass doors. After the second set of doors, you will go up a short flight of steps and take the escalator to the main floor of the building and from there you will take the first set of elevators to the sixth floor. When you get to our floor look at the signage above for our name – we are at the end of the hallway, Suite 690.

**If Vistula is full:** If the Vistula parking garage is full, as you leave the garage turn left on Superior, then turn left at the first light onto Jackson Street. Take Jackson straight ahead to the Crowne Plaza Hotel, which is next to our building, and utilize their valet parking.

**Toledo Crowne Plaza Hotel:** The Toledo Crowne Plaza Hotel is located next to our building. If you are staying at the Toledo Crowne Plaza Hotel, they do offer valet parking. From Summit Street (see above directions from Toledo Express or Detroit Metro airport), turn right at the fifth traffic light and right again to park in front of the hotel.

**To reach our office from the Toledo Crowne Plaza Hotel:** Take the steps from the hotel lobby downstairs and turn left at the end of the stairs. Go straight ahead to the walkway and turn right. You will go past a barber after which you will see a short flight of steps to your right. Go up the steps to the escalator. The escalator will take you to the lobby level of the Fifth-Third headquarters, and from there you will take the first set of elevators to the sixth floor. When you get to our floor look at the signage above for our name – we are at the end of the hallway, Suite 690.
